Description

New Grade 2 listing!

Possibly one of the largest, if not the largest yacht that can be operated with a Grade 2 pleasure vessel licence in Hong Kong. This is a beautiful example of Italian builder Absolute's "little ship" that has an abundance of volume and flybridge space. Not only does she boasts excellent Italian craftsmanship and design, there is a series of ergonomic features on board that provide additional comfort and safety whilst underway. These include extra high bulwarks and gunwale along the side decks making it much safer for children to manoeuvre to and from the spacious bow area. The yacht was built with a list of good options, such as gyroscopic stabiliser, hydraulic bathing platform, flybridge galley, fridge and ice-maker on the flybridge.

Do not miss this golden opportunity - schedule your viewing today to see all the wonderful features on board!
