Description

We are delighted to present this stunning 2022 Ferretti Yachts 1000 to the market. This impressive flybridge motor yacht, as Ferretti Yacht's largest ever built Vessel, was built in late 2022 (as a 2023 model) and delivered in the summer of 2023. Maintained in pristine condition by her dedicated full-time crew since her delivery and boasting low engine hours (just 155h hours as of November 2024), this yacht stands out as the best in its class.

Her Incredible main deck aft seating and lounge area is truly unique and gives every guest a personal connection with the sea and the surroundings. The salon is open, light and super chic with Italian Style and furnishure oozing from every angle. Two glass doors on either side of the dining table area reminds you of your proximity to the sea. The spacious entertainment room located forward on the main deck is beautifully designed with a luxurious and marble finished, offering entertaining and sparkling experience for the guests on the sea. 4 cabins on lower deck accommodates 8 guests in versatile cabins ; 3 Crew cabins completes the line-up for up to a maximum of 5 Crew.

Designed by the Ferretti Group's Advanced Yacht Technology division, she features a streamlined GRP planing hull and a sleek GRP superstructure, combining aesthetics with functionality. Equipped with upgraded twin MTU 16V 2000 M96L engines, this powerful vessel can reach a maximum speed of 28 knots and cruises effortlessly at 24 knots. With an impressive 9,000-liter fuel capacity, she is perfectly suited for long-range voyages without frequent stops for refueling.
