Condition:	Used	Max Speed:	22 kn

## Description

We are delighted to present the stunning Ferretti INFYNITO 90 to the market. This impressive flybridge motor yacht, part of Ferretti's innovative INFYNITO range, was built in late 2023 (as a 2024 model) and delivered in 2024. Maintained in pristine condition by her dedicated full-time crew since delivery and boasting low engine hours (just 102 hours as of August 2024), this yacht stands out as the best in its class.

Notably, this particular yacht is equipped with upgraded MAN engines (2 x MAN V12 1800), offering a significant performance enhancement over the standard propulsion system (2 x MAN V12 1550).

Thanks to its fast displacement hull design, the yacht achieves a top speed of 22 knots and offers a range of 500 miles at 15 knots, or up to 1,200 miles at an economical cruising speed of 12 knots.

The Ferretti INFYNITO 90 features an enclosed upper deck sky lounge, surrounded by expansive glazing that offers panoramic views and a direct connection to the upper deck cockpit. This sky lounge not only provides magnificent views but also ensures a comfortable and luxurious experience. With no boundaries, the view extends far and wide, merging the boat and horizon on the spectacular All-Season Terrace. The bow is an enclosed haven with a covered roof and strategically placed cut-outs, inviting expansive views, fresh sea breezes, and total privacy. This is truly a paradise on board, offering a stunning private experience year-round.

The bow also features a luxurious spa with a Jacuzzi, surrounded by wrap-around sunpads. A pass-through window between the main deck interior and the All-Season Terrace can be fully lowered, seamlessly connecting the main deck to the bow. The grand dining area accommodates eight guests around a glass-topped oval table, while the space aft merges with the open-plan galley, the main saloon, and extends to the cockpit.

Below deck, the yacht is equipped with four guest cabins, including a spacious amidships master cabin. In addition to the master cabin, there are three ensuite cabins on the lower deck, offering comfortable overnight accommodation for up to eight guests. The yacht also has space for three crew members.

The Ferretti INFYNITO 90 is designed for long voyages, offering guests total comfort and providing the owner with a "just like home" feeling in an intimate, safe, and relaxing environment.
