X60

# COMFORT ON BOARD

---

Voluminous living spaces, natural light, easy flow of movement on board: these core concepts have guided the design process for the new X60. Her architectural statement, redistributed space, multiple zones for relaxation, and exceptional level of comfort on board make the X60 the worthy heiress of the X70, flagship of the line.

Designed for smooth, harmonious cruising, her design features a seamless connection with the sea. Entirely open, the "infinity cockpit" affords an incredible view of the ocean and easy access to the salon through a large electric sliding glass door.

EXTERIOR LIVING

# YOUR OWN PRIVATE ISLAND

---

PRESTIGE and Garroni Design create a revolution in space and movement. Redistribution and blending together of interior and exterior living spaces by greatly increasing the cockpit size. The X60 enhances circulation and optimize space on the main deck.

Spacious and versatile outdoor area gives you the freedom to adjust and perform the way you want. Sun pad seating area at the swimming platform provide a whole new experience and feel closer and connected to the sea.

## INTERIOR LIVING

# BLEND WITH NATURE

---

X60 spacious interior has the combination of innovative layout, bold lines and enhanced comfort been brought together in yacht this revolutionary.

Entertainment spaces flow throughout the flybridge and main deck and a wide-body master stateroom ensures sumptuous living. This new concept in space offers ease of movement and increased comfort. Integrating a full Beach Club into the aft platform providing additional entertaining space and a proximity to the water.

To ensure a lifestyle that blends interior and exterior living with a touch of luxury, PRESTIGE collaborated with select design partners.

From luxurious leathers to plush sofas, from relaxing seating to comfortable lounging, every detail is tailored to enhance life onboard.
