## Manufacturer Provided Description

The handling of the S72's deep-V hull feels impossibly light and strong. Coupled with powerful engines, she'll propel you to a breathtaking 40 knots with assured control. Her rakish looks, vast sunroof, hydraulic bathing platform and a 3.9 metre transom garage will take your breath away day after day.

Her space inside and out is remarkable. Glazed doors fold away to open the deck saloon and cockpit into a one level social area. The sunroof only enhances her sense of space. Below deck, there are three en suite cabins, including the full-beam master stateroom, which like the rest of the S72, is exquisitely finished.

## Deck

- Teak-laid transom platform, cockpit deck, sportbridge, side decks and stairs to side decks
- Reversible electric anchor winch with foredeck and helm position controls
- Self-stowing 40kg/88lbs Delta anchor with 90m of chain
