FERRETTI 670

AESTHETIC

The Ferretti 670 is a luxurious flybridge yacht that exemplifies the perfect blend of elegance, performance, and innovative design. Measuring 20.24 meters (66 ft 5 in) in length, this yacht is built for both owner and crew operation, making it an ideal choice for those seeking a sophisticated cruising experience. Its sleek lines and state-of-the-art features highlight Ferretti's commitment to quality and craftsmanship, ensuring it stands out in the competitive yacht market.

FERRETTI 670

SLICK

The exterior of the Ferretti 670 is marked by a contemporary and clean design that incorporates expansive glass surfaces, allowing natural light to flood the decks. The redesigned hardtop enhances the flybridge area, creating a spacious environment for leisure and entertainment. The yacht's profile boasts a striking silhouette, complemented by a large sun deck and a well-appointed aft cockpit. The practical layout includes a hydraulic bathing platform, making water access effortless and adding to the yacht's appeal for sun-soaked days at sea.

GENEROUS

Step inside the Ferretti 670, and you'll be greeted by a luxurious interior that prioritizes comfort and style. The design features a minimalist aesthetic with high-quality finishes, available in two elegant styles: light and airy or warm and inviting. The main salon is spacious, featuring large windows that maximize the stunning sea views. An elevated dining area near the galley ensures guests can enjoy meals while soaking in the panoramic vistas. The layout is thoughtfully designed to provide a seamless flow between indoor and outdoor spaces, enhancing the overall onboard experience.

CABIN ARRANGEMENT

FERRETTI 670

THOUGHTFUL

The Ferretti 670 offers a three-cabin layout, a unique feature in its class that enhances the feeling of space and luxury. The full-beam master suite is particularly impressive, featuring a raised study area that adds depth and sophistication. This cabin includes a walk-in closet and an ensuite bathroom, providing an oasis of comfort. The forward VIP cabin is equally noteworthy, with oversized windows and ample storage, while the third guest cabin is well-suited for children or additional guests, featuring its own ensuite bathroom. Each cabin is designed with attention to detail, ensuring a restful retreat for everyone on board.
