Description

Experience unparalleled elegance aboard the 2018 Ferretti 850, a testament to superior nautical engineering with an exclusive three-cabin layout. This yacht is not just a vessel, but a masterpiece crafted for the true connoisseur, blending luxury, power, and a distinctive style that commands the waters with authority.

Imagine taking the helm of what feels like a floating penthouse. The Ferretti 850 stands out with its dynamic profile, adorned with sleek, flowing lines that suggest motion even when docked. Its majestic presence is accentuated by bold angular lines, making it a regal figure on any horizon.

The expansive flybridge is a true oasis of luxury, offering plush accommodations where refined design and sophisticated decor converge. The integration of large windows floods every room - from the opulent cabins to the expansive living areas - with natural light, enhancing the yacht's aerodynamic design while offering panoramic views of the endless seascape.

Upon stepping onto the main deck, you are greeted by a continuation of the yacht's dynamic essence. A continuous glazed panel cuts through the superstructure, matching the fore-and-aft hardtop and highlighting the elevated helm station. The aft garage is a marvel, equipped with a unique tilt mechanism that transforms it into a beach club, seamlessly descending into the water to create a vast submerged platform - a haven for guests and a practical point for launching tenders.

Inside, the Ferretti 850 epitomizes urban sophistication with an environment that is both cutting-edge and warmly inviting. The strategic use of covered walls, floor-to-ceiling windows, delicate curtains, and selectively placed freestanding furniture cultivates a metropolitan ambiance that remains intimate and welcoming. This yacht represents Ferretti's finest craftsmanship, marrying modern luxury with the warmth of traditional Italian design.

Step aboard and let the Ferretti 850 transport you into a world where exclusivity reigns supreme, and every journey becomes an unforgettable odyssey.

Having worked closely with the owner and knowing the Ferretti 850 intimately, I am uniquely positioned to showcase this magnificent yacht. The yacht is meticulously maintained and comes equipped with a host of premium features:

- Stabilizer GYRO for unparalleled comfort
- Thrusters for precise maneuvering
- A submersible swim platform enhancing water interactions
- Twin MAN engines 12v1800 for robust performance
- Dual Cummins generators ensuring continuous power
- Atmospheric underwater lights in blue
- A sophisticated William 345 tender included
